Subject: New Date for Citations Workshop

Hello,

The new date for the CPUC's Natural Gas Citation Workshop is **Tuesday April 24**. The workshop location remains the Courtyard Room at the CPUC's San Francisco Headquarters.

If you still intend on attending the workshop, no further action is required. Please let me know if you cannot attend.

The agenda and a copy of the procedures will be circulated approximately 10 days prior to the workshop.

Thanks,
Kevin
