Subject: RE: I.12-01-007-PGE Response to CPSD DR #3

Hi [Redact]

I just spoke with Travis and he confirmed that he does not view this as a SBOLI request. I said that for both PG&E's and CPSD's tracking purposes we would we would resend this DR relabeled as a general request. Could you please put that together and forward it to me? I will then send on to Travis.

He also said he thought 1 and 2 are properly in SBOLI and that they would serve the requests on the other parties indicating that we would send the responses. We will work with you on that because we cannot send the 583 responses to other parties besides DRA until we have NDAs with them.

Thanks!

Michelle
