Subject: RE: PG&E Site Visitor Information for Tomorrow's CPUC Visit

Shilpa,

Just to clarify things. Your e-mail mention's "tomorrow's" examination; however, I'm proceeding on an understanding that the examination will be on Friday. We intend to be on-site when the pipe preparation starts on Friday.

Thanks, Shilpa.

Sunil

Sunil,

Here is the visitor guide and site specific safety plan for you and others from the CPUC attending tomorrow's examination.

Let us know if you have any questions. I understand you have Brian's contact info for site arrival.

Thanks.

Shilpa
