Subject: FYI - SB OII Data Requests and Responses

Michelle, Julie,

Just a heads-up that our Law Dept is working with Travis on how to handle the service of data requests and responses for the SB OII. Our agreement at the PHC, and reaffirmed in Commissioner Peevey's and ALJ Wetzell's ruling, is that copies of data requests and responses should be served to all parties (page 7 of March 13 ruling).

So far, we have received requests from Banu regarding the Brentwood security video and Gina regarding compensation, SOX, employee performance, etc. We think these fall under the SB OII, but are confirming with those DR authors. These requests would have to be served to parties by the requestor, and the responder would then have to serve the responses. I use the terms 'requestor and responder' since I expect we'll have data requests for parties as well.

We'll also have to serve redacted responses until we can get NDAs from parties which our Law Dept is working on.

Let us know if you have any questions.

Thanks.

Shilpa
