Subject: Sample/testing letter

Julie/Michelle, do you have handy the letter you last sent PG&E on the procedure for removing, handling, and transporting samples for testing. I have a 7/15/11 letter from Julie --- I thought during our meeting today, you mentioned a Fall letter also.

I will try to get a standardized report and test results that are finalized to you late next week, and a process to give you regular updates.

Thanks and have a great weekend,

Jane
