**RE: Submittal of SDG&E's Bundled Procurement Plan Advice Letter Pursuant to Commission Decision (D) 12-01-033**

In accordance with Rule 16.6 of the Rules of Practice and Procedure of the California Public Utilities Commission (Commission), San Diego Gas & Electric Company (SDG&E) hereby requests an extension of the deadline for submittal of its Advice Letter in compliance with Decision (D.) 12-01-033.

Per Ordering Paragraph 22 of D.12-01-033, dated January 12, 2012, SDG&E is required to file a Tier 3 Advice Letter conforming its bundled procurement plan ("Plan") to incorporate the modifications adopted in D.12-01-033 no later than 90 days from the effective date of the Decision. SDG&E anticipates that additional revisions to its Plan will be required as a result of a decision in System Track I and Rules Track III of Rulemaking (R.) 10-05-006. A Proposed Decision for these tracks was issued on February 21, 2012, and thus could be voted out by the Commission as early as March 22, 2012. Accordingly, SDG&E requests that the deadline for submittal of its Advice Letter be extended to the later of April 22, 2012 or 30 days after issuance of a Final Decision in System Track I and Rules Track III of Rulemaking (R.) 10-05-006. This will allow SDG&E to incorporate changes to its bundled procurement plan from both Commission decisions into one conformed bundled procurement plan, thereby promoting efficiency and reducing administrative burden.

We appreciate your attention to this matter. If you have any further questions, please contact Megan Caulson at 858-654-1748.

Sincerely,

  
CLAY FABER  
Director – Regulatory Affairs
