You can deny it based on that....

Yes - it was a hand delivered letter addressed to "Dear Commissioners" and signed by Dan Skopec, no date.

In it he says the ALJ issued a draft decision, and he wants a chance for public comment - his chance for due process!

I think he over-reacted - it is just an amendment to the scoping memo adding compliance with code sections 961 and 963.

We don't take comments on scoping memos!

Carol - did you receive a hold letter from Skopec ? The letter he sent me was the Paul Clanon letter. I'm confused ?
