Pursuant to Rule 8.4(a) of the Commission's Rules of Practice and Procedure, Pacific Gas and Electric Company (PG&E) hereby gives notice of the following ex parte communications. The communication occurred on Wednesday, March 7, 2012, at approximately 2:00 p.m. by telephone to the offices of the California Public Utilities Commission. The communications were oral and no written materials were used.

[(Rule 8.4(a)]

Sidney Dietz, Director, Regulatory Relations, PG&E, initiated the communication with Matthew Tisdale, Advisor to Commissioner Michel Florio; and Damon Franz, Advisor to Commission President Michael Peevey. Also present telephonically from PG&E were: Kenneth Abreu, Principal Regulatory Analyst, Customer Care; Boaz Ur, Manager, Customer Care; Nick Ho, Senior Manager, Customer Care; Kathy Rios,

Senior Program Manager, Customer Care; and Mary Gandesbery, Attorney, Law Department. Also in participation telephonically were: for Converge - Carlos Lamas-Babbini, Program Director; for EnergyConnect (now part of Johnson Controls, Inc.) - Rich Quattrini, Vice President of Marketing and Business Development; and David Weidberg, Regional Product Manager; for EnerNOC - Melanie Gillette, Director Regulatory Affairs; Andrew Hoffman, Program Operations Manager; and Jose Villalobos, Energy Market Analyst, (collectively "DR Aggregators"); and Sara Steck Myers, Attorney for DR Aggregators. [Rule 8.4(b)]

Ms. Gandesbery described the understanding among PG&E and the DR aggregators to modify contractual timelines to allow the start of the Aggregator Managed Portfolio (AMP) program on May 1 if the decision is issued on April 19. Mr. Dietz stated that the Commission's final decision should approve the contract amendments with no extra conditions to allow for the timely implementation of the AMP program. Ms. Gandesbery said that without an April decision, the contract amendments would not be effective in May. [Rule 8.4(c)].
