Pretty funny, sad, BS article on the company and related parties. What a smear. Displays no knowledge of the economics of PPAs, etc.

Pacific Gas & Cronyism

Politically connected utility plays corporate bully, makes bank on green energy

BY: [Andrew Stiles](#) - March 14, 2012 5:00 am
President Obama's aggressive green energy agenda has produced its fair share of winners. But few companies have more successfully cashed in on the flood of federal support for green energy than Pacific Gas & Electric.
