I am fine tuning my short and focused deck and will send it to you sometime tomorrow.

What time should we arrive on Monday? Around 5 pm?

Gentlemen,

Those of you who are CFEE veterans know that we try **not** to use power point presentations at CFEE conferences because it disrupts the flow of conversation around the table. However, since this is a workshop on a pretty technical topic, you've all been advised that it's okay to use PPTs. Please try to keep them succinct and on point. If you want to bring copies, there will be approx. 55 people in the room, this includes both

participants at the table (approx. 18), and the observers.

Please email me your presentation by noon on Monday – also bring a back up on a jump drive.

Thanks!

Beth
