Subject: Re: Distribution list for final reports

Hi all-

Please find my report attached. I've sent a separate version to Sunil via Exponent's FTP site, as his server hasn't been accepting these large files.

[Redacted]
Director, Materials and Corrosion Engineering
Principal Engineer
Exponent Failure Analysis Associates
149 Commonwealth Drive
Menlo Park, CA 94025

Subject: Distribution list for final reports

Importance: High

Brad and Mike-

After you have edited your reports to finish them , the CC line in the header shall be your new distribution list (with both of you too , of course). **The reports need to be issued tomorrow before noon.** I think we are done with commenting so this should be doable.

Thank you very much for your hard work on this project.
