Subject: Re: Distribution list for final reports

Mike-

I am unable to print. Have you locked it somehow? Pls resubmit in a PDF format that can be printed. THANKS

Subject: Distribution list for final reports

Importance: High

Brad and Mike-

After you have edited your reports to finish them , the CC line in the header shall be your new distribution list (with both of you too , of course). **The reports need to be issued tomorrow before noon.** I think we are done with commenting so this should be doable.

Thank you very much for your hard work on this project.
