Hi Phil, hope all is well with you.

Enclosed pls find PG&E's 2010 Annual Report pursuant to PUC Sect 7912(a) submitted May 2, 2011; and email correspondence between [Redacted] and Linette Young prior to PG&E filing.

Q: Is Linette still the point of contact reviewing this compliance report? If not, pls provide us the new person handling the report.

Per PUC Section 7912(a), we await for CPUC's request for PG&E's Annual Report for year 2011.

On another subject, for your consideration, see [Redacted]'s email sent April 12, 2010 (9:16 a.m.) below stating, "...I propose that PG&E simply files the report proactively. Please advise."

Thank you for your attention.

Thank you for bringing this to our attention. I cannot do the report this year as in 2 weeks I am headed off for medical leave, and I am swamped with another assignmen that I have to complete before I leaavet. Go ahead and file the report proactively. Do you have last year's data request? Assume the questions are exactly the same except we want you to report 2010. Send the response to both myself and my boss, Phil Enis, who is cc'd on this email.

cheers,

Linette

Hi Linette:

I remember a while back you telling me that someone else would be assigned to this data request. I still haven't seen anything, so I figured I would follow up.

Thanks,
