Subject: Re: CPUC Present-Second Annual Inter-Agency Env. Coordinating Meeting

Thank you so much for letting us know. I will be sure to get the message out that you were in attendance in the notes.

I look forward to setting up smaller sessions with CPUC and the other resource agencies.

Subject: CPUC Present-Second Annual Inter-Agency Env. Coordinating Meeting

Ms. [Redact]

The CPUC (Billie Blanchard and I) were present via teleconference through the entirety of this morning's meeting.

We tried to comment but technical difficulties interfered.

We appreciate being included in this meeting and hope to attend in person in the future.

It might be helpful to let others who might have been in attendance today know that we, too, were online.

Please let your colleagues at PG&E know, as well.

Thanks,

Lisa
