Subject: RE: RAM Advice Letter template

Hi Meredith,

We have heard some questions about what IE Template should be used for RAM, as a template is reference in the RAM AL outline I sent below. We have decided to adopt the short form IE Template (found here: <http://www.cpuc.ca.gov/PUC/energy/Procurement/Procurement/>) with some modifications. I've attached that IE Template here.

Also, just some guidance on Sections III.D. and III.E. of the RAM AL template: we were intending for the IOUs to report their "preliminary" observations. We do not intend for the IOUs to suggest substantive changes it would like to have made to the program. Rather, it should direct interested parties to participate in its RAM Program Forum where such changes will be considered.

Let me know if you have any questions, and have a good weekend!

Thanks,

Adam

Subject: RAM Advice Letter template

Hi Meredith,

As I mentioned on the phone today, I'm attaching here a template that we're asking each of the IOUs to use for their RAM AL filings. I am also including an accompanying Excel sheet that includes seven tables that we would like the IOUs to complete as part of Public Appendix A.

Let me know if you have any questions.

Thanks!,

Adam
