Subject: RAM contract execution

Hi Meredith,

I'm looking to get an update from each of the IOUs on whether they have already executed their RAM contracts, and if not, whether they will do so by the end of this week. Upon execution, we would like PG&E to send us the final price data (including pre-TOD) for those contracts.

Let me know when PG&E would be able to get us this data, and if we can get it by the end of this week.

Thanks,

Adam Schultz
