Thanks. Sorry, but my calendar has been acting up the last couple of days and I didn't see the appointment. See you at 4.

Scott,

We are scheduled to meet with you at 4:00 today. DOE will need to call in.

Thanks,
Meredith

Meredith, did we ever set up a firm time to meet with DOE &/or SVTC folks?

I will come by at 4:00 tomorrow. I hadn't heard about the letter that was sent directly to Pres. Peevey. Can you send to me? There was also a letter back to Madera and then their response to us. We are also sending them another tomorrow. I will send the other letters to you.

Before or after your other meeting works for me. I have two letters, one where we were cc'd on a letter from Madera to PG&E and the other that I already mentioned.

Scott,

Would Friday afternoon work? I have a meeting at the CPUC from 3:00-4:00 but could stop by before or after. 9:00 for a call works too. Do you have all of the letters?

We are meeting with them on Monday.

Thanks,
Meredith

Meredith,

You may have heard that Madera sent a letter to Peevey, Nichols, Levin etc about their failure to renegotiate with PG&E. Can we talk about what's happening with Madera and CRES sometime Friday or next week?

Thanks
