OK. Hey, I'd like to talk to one of those tax guys again, as early tomorrow as possible. Having looked back at TURN's briefs, I think I have mischaracterized the issue with the potential change in corporate tax rates. I want to understand how a future change in the tax rate would affect the return of the gross-up, which is what I think TURN is getting at. I also want to confirm that the gross-up will be returned in all cases -- even an early liquidation of the MDF.

Thanks

Scott,

I received an email tonight stating that Ramamoorthy Ramesh from the DOE had a change in plans and now needs to leave right after the all party. He will not be available for any separate meetings in the afternoon.

Thanks,
Meredith
