Subject: Post-approval project refinements

Hi Mary Jo and Billie,

Thanks for the helpful meeting March 5th.

You mentioned a new procedure for approving "project refinements" after PTC approval that was going to be used in a recent SDG&E application, but then was not. Would it be possible for you to provide a copy of that proposal to us for review? There is a good deal of interest at our end in making the compliance process more workable for everyone.

Thanks again,
Jo Lynn
