Subject: Feed-in-Tariff proposed decision

Hi Meredith,

As I'm sure you're aware, the ALJ mailed the proposed decision last week addressing the pricing mechanism piece of the feed-in-tariff (<http://docs.cpuc.ca.gov/EFILE/PD/162134.PDF>).

I wanted to check with each of the IOUs to see if they had an interest in scheduling a short phone call sometime in the next couple of weeks to discuss that proposed decision and give the IOUs a chance to ask questions of us and get clarification, etc. It would also be good for Energy Division to get feedback from the IOUs.

Let me know if this is of interest.

Thanks,

Adam
