Shilpa- also, if I could get the attachment I sent you in excel file, that would be helpful.

Subject: FW: Updated PG&E Hydrostatic Test Schedule

Shilpa- I've been asked to confirm all of the work that was done last year for hydrotesting. I was going to use this document (without the notes column), but wasn't sure if the ones that are still white were performed last year or pushed off to this year. Could you let me know? Also, could you tell me how many MAOP validation digs were done last year?

And finally, do you have a cheat sheet that shows miles of pipeline replacement and hydrotest planned under the PSEP for 2012, 20123, and 2014?

Thanks.

Michelle

Subject: Updated PG&E Hydrostatic Test Schedule

Team,

See attached the December 8th hydrostatic test program schedule. Please note that the data is considered confidential under Public Utility Code 583 since the detailed schedule contains sensitive non-public information about possible generator outages.

As a reminder, the schedule is reviewed and refined on a daily basis. Please let me know if you have any questions.

Thanks,
