How about an Italian as an alternative to a French ? Seems like it might be a better fit. Not sure. Let me think.

Wine, the answer is always yes.

They also have a pretty incredible cocktail program, so I recommend starting with that.

I would opt for cabernet given the food there. On top of the pasta, there's some amazing oxtails, etc.

Looking forward to it!

Hi,

Great. we are looking forward to catching up with you guys. I have provided the link

below to give you details of the restaurant. We normally try not to go there looking like our normal selves, because it is a tiny bit upscale for us. So, we take showers and wear nicer jeans and maybe a nice top, but no sweats for sneakers.

Autumn – wine?

Yes. We are. Dress for us ? Should I bring a nice bottle of pinot or cabernet ?
