Tom, when we met with Paul in late January, we discussed taking Paul on a field visit to see the work we're doing with TGRAM switch replacements and Swiveloc Manhole cover installations.

Below are some dates that I'm available. Would you see if any of these dates work for Paul?

April 4th – morning

April 5th – afternoon

April 24th – afternoon

April 30th – morning

May 4th - anytime

Thanks.
