Works for me. Thanks.

Do you know if PG&E is generally OK with the PUC approach?

Morning Meredith,

Just checking in to see if PG&E has had a chance to review the PUC's proposal. Do you have time later today or early tomorrow morning to discuss?

Thanks,

Paul

Meredith,

As promised, attached you will find the PUC's comments on the ISO's ISO TPP-GIP reform proposal. Section 2, question #7 outlines our concerns and our proposal. Let me know when you are free to discuss the PUC proposal.

Thanks.

PD
