Subject: RE: Follow up on Storage OIR comments?

Hi Meredith:

Great to run into you again. I didn't realize you were still handling storage, otherwise I would have started with you.

Thanks for coordinating. If we can start at 3:30 that would be a little better; if availability is an issue, we can still work with 4pm. What bldg should I come to? Btw, let's keep this informal and a small team. No one needs to prep anything. I am just looking to get more background/insights around some of the comments in Jan 31 filing and perhaps raise other points to think about and get reactions.

Also, based on [Redacted] email, I had already sent notes to [Redacted] and Dan. Pls let them know of our exchange to avoid duplication. Thanks.

Hi Alope,

Would tomorrow afternoon at 4:00 work for a meeting to discuss our opening comments? We can meet at PG&E. I will coordinate with [Redacted] and others here.

Thanks,

Meredith

Hello Redacted

I am on ED staff working on Storage OIR. I would like to have an informal chat with PG&E staff to get more insights into some of PG&E's comments filed on Jan. 31. Please let me know who I can follow up with. Thx.
