Hi Sara,

I'm having our IT team work on sending the application to my personal email. I will know later this afternoon, if it works. The application is a very large file - 23 MB. Once I have it, I will try to send to you. I believe the CPUC server will reject. Do you have a personal email that I could try to send it to? Also the application is confidential. We filed it under seal.

Thanks,
Meredith

Hi,

Sorry to bother you over the weekend! Commissioner Ferron would also like a copy of SVTC's

application to the DOE if you could send it over.

Thanks,
Sara

Sara,

Please find attached, the latest draft Term Sheet between PG&E and SVTC Solar, Inc. (version June 1, 2011). PG&E does not anticipate any material changes to the terms in the Term Sheet. Please note that the highlighted sections (in yellow) mark confidential information. PG&E provided this Term Sheet to parties with Non-Disclosure Agreements in response to two TURN Data Requests (TURN Data Request 7, question 1 on July 22, 2011 and TURN Data Request 8, Question 3 on November 21, 2011).

Thanks,
Meredith
