Subject: PCG: Announces Settlement with City of San Bruno

MEMBERS OF THE INVESTMENT COMMUNITY:

Today, we announced a settlement with the City of San Bruno and issued the attached 8-K report to the SEC.

The settlement will help the city to rebuild and move beyond the accident, and it calls for a \$70 million, tax-deductible payment. We do not plan to seek recovery through insurance or from customers. The impact of the settlement, which will be reflected in the range for third-party liability, will be assessed as part of our next quarterly earnings announcement where we review all assumptions and estimates in guidance.

Please call the PG&E Investor Relations team with any questions.
