Any update, Kevin, on whether this will still be held next week? Or ETA on an agenda? Just trying to figure out calendars so I can get the group together to discuss the agenda. Thanks again.

I honestly don't know for sure; I'm hoping it goes on as planned, but upper management has a lot on their plate right now. Hopefully I'll know by COB today.

Kevin,

I heard a rumor that the workshop may be cancelled or postponed. Any truth to that?

It is currently under review by management; I'm pushing to circulate by Tuesday, but it is beyond my control.
