Subject: RE: for when you want to see a really amazing piece of machinery

I totally agree --- I could leave the world of pipes/wires and head for this. I have never seen anything like this!

Thx for sharing,

Jane

This is the coolest thing! And best part of my day so far. Probably my week! Thanks for sharing it.

Your verbal description was so good that actually SEEING the machine seemed very familiar.

The Union Pacific TRT-909 (Track Renewal Train). Skip the first 1:30 or so (UP promo stuff) but the rest is how the machine works. It is really amazing!
