And tomorrow I won't be here to assist, have to go to Sacramento where the Senate budget staff recommends that we not receive additional safety positions... great...

I think so. See, I'm not in ALJ at this point, so I don't have the best information, but I since have reached a reliable person that tells me it isn't going today.

Definitely is not up at this point. I called all the usual suspects and no one is there. So, at this point, it is definitely not today. For some inside baseball, the hold up is usually the assignment of ALJ and Cmmr, not the readiness of the document itself.
