Subject: Drumroll please... PG&E is #1 on the DiversityInc Regional Utilities List

And #7 on the Supplier Diversity list!

Congratulations and THANK YOU to everyone for your dedicated work that made this possible. The lists were revealed tonight and are already up on the DiversityInc website. CA utilities are the top three (PG&E, Sempra, SCE, National Grid and Ameren). PG&E was #2 in

2011. Great to be in the top spot at last!

It takes the contribution and commitment of everyone to keep us moving forward on our diversity and inclusion journey. Getting to #1 on this list required the efforts of all of our teams and many more, too many to name individually. Please pass this along to your teams and celebrate!

Thanks, Joyce
