Subject: SDG&E and SoCalGas Joint Request for Extension to File Comments on Draft
Resolution L-436

Dear Mr. Lindh,

On March 22, 2012, the Commission released a Notice of Availability requesting that comments regarding Draft Resolution L-436 be submitted on April 11, 2012. The Draft Resolution proposes an entirely new process for the public disclosure of documents submitted to the Commission, as well as new treatments for documents considered to be confidential.

SDG&E and SoCalGas has met to review the Draft Resolution and plan on jointly submitting comments regarding this far-reaching Draft Resolution, which will require thorough and considerable coordination between the two parties. On March 29, 2012, members of the telecommunications industry jointly requested via email a three-week extension for the submission of initial comments (making the comments due May 2) based on a similar need for additional time to collaborate on a detailed response to the complex Draft Resolution. SDG&E and SoCalGas support the telecommunication industry members' request, and ask that the three week extension for the submission of initial comments be granted (and that the remainder of the schedule set forth in the Notice of Availability be adjusted accordingly).

Thank you for your consideration.
