Subject: Sutter Discussions with CPUC

We have scheduled a conference call for 2 PM today to discuss next steps in the Sutter negotiation with Paul Clanon and Frank Lindh. I know this is last minute, but if you (Edison and Sempra) can have someone call in to the discussion, it would be appreciated.

Paul is going to discuss how we should approach this negotiation and give an overview of the Commission's thoughts on this matter. The call-in number is [Redacted] [Redact] meeting number [Redacted]. You are welcome to forward this note to others who may be interested within your company. For PG&E employees, you can

either call in or come to my office.
