Thanks Paul. I've been mentoring him. And you need to go to Harvard !

Thanks for the endorsement (and the nudge!). We'll be interviewing him today, and I'm sure he'll do very well. I'll keep you posted on the outcome...

Paul – I had coffee today with Ryan Young. He told me he was interviewing with you. I told him that you'd be great to work for but it would be limited – because you need to go to Harvard. I've been keeping an eye on him for a while. He is a great kid. If I can find the right job for him here at PG&E, I intend to steal him away from you at some point in his career !
