Ms. Kim and [Redacted] - I will be issuing a ruling either later today or tomorrow (at the latest) directing you to take the necessary actions to make this PPH happen. I understand that your drop dead date for being able to mail postcard notifications is April 5th.

You are hereby directed to provide a draft of PG&E's notice to the Public Advisors Office (PAO) for their review by Noon tomorrow, at the latest. Please let me know immediately if you have any doubt that you will be able to meet this deadline.

Thank you.

Ms. Kim - Cmmr Ferron has asked me to convene a PPH at the Fresno City Council Chambers on May 8th. This is a heads up to you that I will be issuing a ruling to that affect next week, as soon as we are able to discern the time(s) of day. The short notice period will require PG&E to send an appropriate postcard notice. Please muster the forces necessary to accomplish this task and work with the Public Advisor's Office (Karen Miller and Varouj Jinbachian) to vet the mailing. Thank you.
