Geesh. I just sent a note to them saying that we want to get started and would like to meet on 4/24 on process.

Michelle – now we can't get TURN to agree to the April 24 date. TURN wanted sometime late in May and we told them that is ridiculous. So May 2 is the date we have. TURN also objects to PG&E putting a substantive offer on the table May 2. They only want to talk procedure. If we don't get some adult supervision soon, we won't get any settlement until 2013.
