Subject: Notice to the Parties of Record in Docket No. R.12-03-014 by the California ISO

Parties of Record:

Yesterday I sent an E-mail to the service list with website links to the ISO's local capacity requirements (LCR) and once-through-cooling (OTC) studies. Contrary to the information that I provided in that E-mail, the LCR studies will not be addressed in the ISO's May 23 testimony or at the workshop on May 3. Here are the relevant ISO website links for your information:

1) Information about the ISO's 2011/2012 transmission planning process can be found at:

<http://www.caiso.com/planning/Pages/TransmissionPlanning/2011-2012TransmissionPlanningProcess.aspx>

2) The 2011/12 Transmission Plan contains the Once Through Cooling (OTC) study at and the ISO Deliverability Study at Chapter 4:

<http://www.caiso.com/Documents/Board-approvedISO2011-2012-TransmissionPlan.pdf>

Please disregard my E-mail from yesterday. I apologize for any confusion that this oversight may have caused.

Thanks,

Judi Sanders

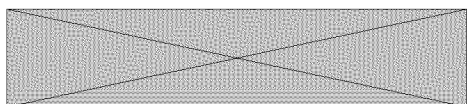

Judith B. Sanders
