Jill:

I received your voicemail earlier today and have relayed to the other IOUs and my clients that Calpine has concerns about the documents.

We would appreciate it if Calpine could provide us with a markup of the documents by Monday morning so that we may understand and address Calpine's concerns to keep this process moving.

Thank you,
Anna Capelle

Attached please find the draft Joint Negotiation Agreement (JNA) along with exhibits for your review. Please note that the attached documents are still subject to further review by PG&E, SCE and SDG&E.

We will need Calpine's review of the JNA quickly so we can all begin discussions and exchange information early next week.

Thank you,
Anna
