Subject: RE: Phone call about TOU?

Hi,

I called at around the same week as Chris' first call. I called from my home number, I believe.

Marzia --

We found the call from Chris about TOU. I haven't heard the tape yet, only the summary. But we were not able to find your call. Did you use a different phone number, or were you talking about an account that was not your usual one?

yours,
