Amy,

I'd like to meet with meredith and her team on the 19th or 20th. She's suggested some times below. Will you please finalize the schedule and book a room? Thank you!

Matthew

Hi Matthew,

I am still stuck here. I was supposed to fly out today but the plane had mechanical difficulties. I'm hoping to fly out tonight. Still waiting at the airport.

We do have time after the meeting on the 19th. We are planning to file on 4/24. Would the afternoon of the 19th work? Or Friday, the 20th at 11:30?

Thanks,
Meredith

Hi! I heard you're stuck on the east coast. bummer. beautiful weather here this weekend.

On this meeting request, what is your expected filing date? I'd love to have a pre-filing meeting, but wish it was after the busy commissioner meeting on the 19th.
