Subject: RE: Farewell

Jeff, congratulations on your retirement. You have served Sempra well and should be very proud of your career with the company. During my tenure with Sempra I worked with many people, but you were one of the best. I learned so much from you about gas pipelines and peaking rates, surcharges and more. Thanks for the knowledge, patience and friendship. Enjoy your well deserved retirement.

All the best to you and your family.

**Subject:** Farewell

After 26½ years with the Company, I am retiring from Sempra effective June 1. I've enjoyed sharing the opportunities and experiences with a number of you, and now look forward to new challenges in my life after Sempra. I wish all the best of success, and hope that translates into your individual satisfaction and a healthy stock price (so my wife can enjoy retirement in a style and manner to which she would like to become accustomed in our new home in southern Utah).

Regards,

Jeff
