Subject: Leaving the PUC - Thank you all

All,

As some of you may have heard, I will be leaving the PUC to join the law firm of Davis Wright Tremaine. My last day here will be this coming Friday, May 4th. Please forgive the email. I had hoped to have the chance to tell more of you in person that I was leaving but did not get the opportunity.

I have truly enjoyed my time here at the PUC and It's hard for me to sum up my gratitude for those I have learned so much from. I am so thankful to have had the opportunity to work with all of you over these past four years and I am even more thankful to be able to call so many of you friends. I hope our paths will continue to cross and that this is not "goodbye," but instead more of a "see ya soon." I look forward to being able to work with you all in the future in my new role. While I do not have my new professional contact info yet, please feel free to keep in touch via linked in or my personal email:

Redacted

Until I "see ya soon," thank you all...for everything. I am sincerely grateful.

Regards,
Melissa
