Subject: R.11-05-005 (RPS) Proposed Decision Setting Compliance Rules for Renewables
Portfolio Standard Program

It has come to my attention that the Proposed Decision (PD) mailed on April 24 has a typographical error in Ordering Paragraph 4 that alters the meaning of that Ordering Paragraph. This error will be corrected in the agenda version of the PD. In order to

reduce stress and duplication of effort as parties prepare comments on the PD, I am sending this informal notification now.

Ordering Paragraph 4 should read:

In calculating their deficits, if any, in meeting their annual procurement targets for all years prior to 2011, retail sellers as defined in Public Utilities Code

Section 399.12(j) may ~~not~~ count surplus procurement from previous years to meet their annual procurement targets in any year prior to 2011 in which the surplus procurement may be applied.

This e-mail is being sent to the service list in several pieces.
