**Subject:** Farewell

After 26½ years with the Company, I am retiring from Sempra effective June 1. I've enjoyed sharing the opportunities and experiences with a number of you, and now look forward to new challenges in my life after Sempra. I wish all the best of success, and hope that translates into your individual satisfaction and a healthy stock price (so my wife can enjoy retirement in a style and manner to which she would like to become accustomed in our new home in southern Utah).

Regards,

Jeff
