Subject: [spam] [dkim-failure] Re: Farewell

Jeff- About time you came to your senses. Utah sounds like a great change from Texas!
But after 3 months I can tell you this retirement stuff can be challenging - (Bernie and I just
got back from hiking to Phantom Ranch at the bottom of the Grand Canyon -10 miles down
and 5,000 feet - and then back up!)

Your list of addressees however reminds me of many good times with many good people. It is
the people that I am sure you will miss as do I.

Keep in touch and if ever in Manhattan Beach or San Diego let us know!!!

All the best!

After 26½ years with the Company, I am retiring from Sempra effective June 1.
I've enjoyed sharing the opportunities and experiences with a number of you,
and now look forward to new challenges in my life after Sempra. I wish all the
best of success, and hope that translates into your individual satisfaction and a
healthy stock price (so my wife can enjoy retirement in a style and manner to
which she would like to become accustomed in our new home in southern
Utah).

Jeff
