**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

Order Instituting Investigation on the Commission's Own Motion into the Operations and Practices of Pacific Gas and Electric Company's Natural Gas Transmission Pipeline System in Locations with Higher Population Density

I.11-11-009
(Filed November 10, 2011)

**CONSUMER PROTECTION AND SAFETY DIVISION
AND PACIFIC GAS AND ELECTRIC COMPANY'S
PROPOSED SCHEDULE**

In anticipation of the prehearing conference tomorrow, the Commission's Consumer Protection and Safety Division (CPSD) and Pacific Gas and Electric Company (PG&E) jointly submit the following proposed schedule:

April 17	Second PHC
May 25	CPSD direct testimony
June 11	Intervenor testimony
July 9	PG&E testimony
July 31	CPSD rebuttal testimony
	Evidentiary hearings at a date to be set by the ALJ

While CPSD originally proposed earlier dates for the activities following the submission of its testimony, CPSD & PG&E agreed on the final dates to meet the needs and scheduling conflicts of all parties. CPSD and PG&E recognize that this proposed schedule does not meet ALJ Yip-Kikugawa's desire to hold evidentiary hearings starting in early July, but feel that the time suggested for testimony submission is appropriate given the complexity of the issues and discovery and the need to present a full record to the Commission.

Respectfully submitted,

PATRICK S. BERDGE

JOSEPH M. MALKIN
MATTHEW P. BARTLETT
