Laura,

A hard copy was mailed to PG&E today but unfortunately I will not be able to send you an electronic version until tomorrow morning. I apologize for the inconvenience and, as I'm sure you know, if the delay causes problems for you the CPUC Rules provide for scheduling relief.

Thanks,
Chris

Hi Laura,

How have you been? Hope all is well with you.

By copy of this email I am requesting that CPSD counsel Chris Clay email you the electronic version of the confidential report that he filed with the docket office. Thanks.

Jeanette

Jeanette

Michelle Cooke told Brian Cherry that we could contact you about getting a copy of the confidential CPSD report associated with the OII that came out today about SmartMeter practices.

An electronic version would be great, of course, but if we can't get that then I'm happy to come over to pick up hard copy directly.

Can you help with this?

Thanks Jeanette.
