Subject: RE: MOU and Letter Agreement for Ruby Pipeline CPIM Changes

Pearlie –

Here are the final versions of the MOU and Letter Agreement for the CPIM changes to accommodate our Ruby Pipeline contract.

Please let me know if you find any errors in them. If you are OK with them, Mark can sign them first and you can mail them to us for Roy's signature, or we can have Roy sign and return them to you for Mark's signature. Let me know your preference.

After we have these completed we will work with Energy Division on what to do about the Advice Letter (cancel, re-file, ??).

Thanks,

Pearlie –

Yes, you are correct on the slide headers embedded within the Letter of Agreement. The “Three Basin” phrase was correct as is and should not have been changed.

Please let us know if you find anything else that needs to be discussed or fixed. If not, I will type up a final version.

Thanks,
