Subject: R.11-05-005 (RPS): SDG&E Request for Information on Potential Renewable Resource Projects

To all interested parties in R.11-05-005, I.08-03-010, and R.12-03-014:

In accordance with the Assigned Commissioner's Ruling Identifying Issues and Schedule of Review for 2012 Renewables Portfolio Standard Procurement Plans Pursuant to Public Utilities Code 399.11 et seq. and Requesting Comments on New Proposals, issued in R.11-05-005 on April 5, 2012, attached hereto is SDG&E's "Solicitation for Information on Potential Renewable Resource Projects" dated April 16, 2012 ("Solicitation").

As is described in more detail in the attached letter, the Solicitation requests information from developers of eligible renewable energy projects that may seek interconnection to the SDG&E-owned transmission system and that intend to commence deliveries within the next five years. Relevant information from such studies will be used to prepare SDG&E's 2012 Transmission Ranking Cost Report ("Report"). The transmission cost estimates in this Report may be utilized in SDG&E's least-cost/best-fit evaluation of bids submitted in response to the SDG&E 2012 RPS RFO expected to occur in 2012. As in past years, SDG&E may require that bidders participate in this TRCR report as a prerequisite to submitting a proposal to the 2012 RPS RFO.

Responses to the Solicitation are due on or before Wednesday, May 2, 2012. Detailed instructions for submitting responses are contained in the attached Solicitation letter.

Please submit any questions regarding information to be provided in response to the Solicitation to Laura Naples at (858) 858-636-5539 or LANaples@semprautilities.com.

-

Questions regarding the RFO solicitation should be directed to renewablerfo@semprautilities.com.

Due to the size of the service lists, we are sending this e-mail in batches. Also, since we are serving more than one service list, some parties may receive multiple copies of this e-mail.
