A 3-4 time period would work best. We need an update Tuesday even if you have not gathered everything yet.

Mike,

We'd be in better position to more fully address your questions later in the week. But if must be Tuesday, looks like 3:30-4:30 PM or 4-5 PM works. Any preference?

If you'd like, I can set up the conf call number when you get back to me.

We would like to meet on Tuesday to discuss this matter.

Julie, Mike, Sunil,

Thanks for accommodating a rescheduling. I wanted to let you know that Larry will send along later this evening parts 1-6 of Sunil's request for information on the overpressure events identified in Nick's email. We'll provide an estimate for parts 7-9 as soon as we can.

I'm still trying to secure the right people for a meeting next week and will along some days/times for your consideration by tomorrow morning.

Thanks.

Shilpa
